## Senator: Time to come clean

---

Senator Concetta Fierravanti-Wells must make clear today whether she is one of the colleagues, Joanna Gash told ABC Illawarra this morning, are “putting up their hands” as a location for a nuclear reactor, Federal Member for Cunningham, Sharon Bird, said today.

“Mrs Gash made an extraordinary admission this morning on ABC Illawarra.

“She specifically claims that a number of her colleagues have indicated a willingness to have a nuclear reactor built in their electorates.

“Mrs Gash, however, refused to name her colleagues.

“Senator Fierravanti-Wells must state clearly today whether Mrs Gash is referring to her.

“There is speculation that Port Kembla may be a suitable location for a nuclear reactor.

“It is time for the Senator, who claims to represent Wollongong, to come clean”, Ms Bird said.
