Sharon Bird MP
Federal Member for Cunningham

Small grant awarded to Futureworld

Futureworld has been provided a \$1,500 grant under the Commonwealth Government's Grants to Voluntary Environment and Heritage Organisations (GVEHO) programme, Federal Member for Cunningham, Sharon Bird, announced today.

Ms Bird said that the grant would assist Futureworld in meeting inevitable administrative costs in co-ordinating a volunteer community group.

"This grant recognises the important work Futureworld undertakes in promoting future technologies that will help protect the environment, save water, conserve energy and encourage sustainable living", she said.

Futureworld: National Centre For Appropriate Technology (NCAT) Inc is based at Coniston.
